## INFORMATION & GUIDELINES

1. This flyer describes The Finder Family - Camp Gan Israel's designated drop-off and pick-up points throughout the valley, as well as the scheduled times for each stop. If you are having difficulty understanding the exact location of the stop, please do not hesitate to call our office at 818.906-9540 for more precise directions.

2. It is imperative that your child arrive at the stop in the morning *on time*. While the driver will never depart from your stop before the scheduled time, he will be instructed not to wait beyond it. Although the driver will have a roster of his passengers, he will be running the route strictly on the basis of the schedule and not on attendance. Obviously, the schedule may occasionally be offset by extenuating circumstances such as traffic situations, etc.

3. Though there will be counselors on the bus to supervise children during the bus ride to and from camp, ***the camp will not provide supervision at the stop.*** Parents are responsible to supervise their children at the stop until they are safely on the bus. Parents must also arrive at the stop on time in the afternoon to safely greet their children as they walk off the bus. If you are late, your child will be brought to the Chabad of the Valley Center nearest your designated bus stop and must be picked up from there. You will be charged a late fee of \$10.00 for the day.

4. Camp Gan Israel will be happy to accommodate requests for a new location to be added *if the stop will accommodate 10 or more children.*

5. To register for transportation, please fully complete the attached "sign-up form" and mail it to our office as soon as possible. The fee for transportation is \$20.00 *per child, per week*. These fees must be paid in full by June 1st along with your regular camp tuition fees.

6. Once you are signed-up for transportation, your child's name will be added to our transportation roster. Only children whose names appear on the transportation roster will be permitted to board the bus.

7. If you would like to make occasional route or stop changes (for example, your child is visiting with friends or relatives, doctor's appointment, etc.), you may arrange for this by notifying our office 24 hours in advance.

8. Camp buses are thoroughly inspected for safe operation by the California Highway Patrol. Drivers are experienced, safety-conscious and meet the requirements of the regulatory agencies of the State of California and the City and County of Los Angeles.
